Silver State Charter Schools

Rules of the Bus

Riding the school bus is a privilege and this privilege can be removed if the rules set forth are not followed. The bus is an extension of school; therefore, all the same rules apply. You may find a full explanation of the discipline in the student handbook that is located at the front office or online. The driver of the bus has the authority to implement the appropriate discipline as they see fit in order to keep the bus safe. Any incident that takes place on the bus will also be handled at school by the dean and or vice principal. Once a student has been spoken to more than twice by the dean or vice principal, that student will have their bus privilege revoked for a duration of time deemed appropriate by the vice principal and bus driver.

Here are some basic rules that must be followed in order to ride the bus:

- **Students are to use appropriate language while on the bus. If you have to ask if it is appropriate, it probably is not.**
- **Students are to remain in their seats and refrain from moving around the bus while it is in motion.**
- **Please respect the bus and do not vandalize. If a student is caught or is suspected of vandalizing the bus, their bus privilege will be revoked.**

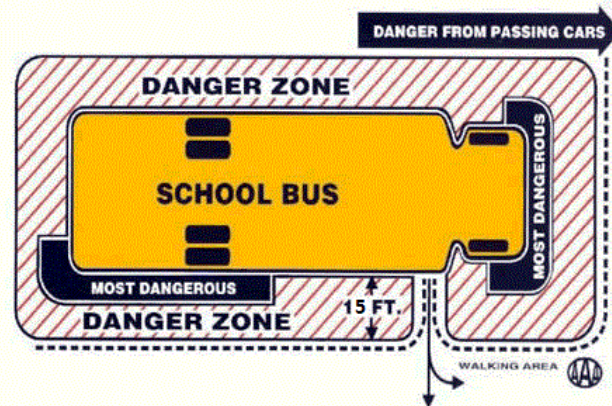

If a student rides the bus to school, they MUST REMAIN AT SCHOOL FOR THEIR ENTIRE SESSION if they want to ride the bus home. Any student that is late to school or leaves before the session is over MAY NOT ride the bus home. School begins at 9:00 and ends at 3:00. This applies even if it is not the student's assigned day. If there are any questions please contact the school for clarification.

Student Safety: Entering and Exiting the Bus Safely

1. Avoid the Danger Zones! Take ten (10) steps away from the School Bus before crossing. NEVER cross in the back of the School Bus.
2. **STOP!** before crossing the street and wait for the Driver's signal.
3. Check for traffic both ways.
4. **LISTEN!** If your Driver blows the horn, **GO BACK!**
5. Cross while continuing to check for traffic in both directions.
6. Always walk straight across the street, never at an angle.
7. If you drop something under or near the vehicle, tell the Driver. **NEVER** stop and try to pick it up yourself!

Thank you!
Krystal Hoefling
Dean of Students
